## Reviews

Ruchi Prayana

Positive: Professionalism, quality, Value My overall experience for Bike mechanic was really good and satisfying. The service I got was very polite and helpful. One who require genuine service should definitely go and visit Banashankari KTM Service for the best. All the technician all great helpfull. The technician shreyas was very helpful. Thank KTM Banashankari

PAVAN

Highly interactive technicians, good service. My duke 200 has coolant oil leakage problem form past 6months... Some one sugested Banashankari service station. After visiting many ktm service center. Finally the problem has been cleared by visiting just once to Banashankari ktm service center. Thanks for technicians there, majorly thanks to shreys (technician).
